North American Roofing RECEIVES SPECIAL RECOGNITION
FROM CARLISLE SYNTEC INCORPORATED

Carlisle, PA - - - Carlisle SynTec Incorporated, a leading manufacturer and supplier of single-ply roofing systems and products, recently honored North American Roofing, Asheville, NC with the prestigious Centurion Award. Presented to Carlisle authorized applicator firms for outstanding quality workmanship, this award is based upon completed roofing system inspections performed by Carlisle technical representatives who rate each project on a scale of 1-10, 10 being a flawless application. North American Roofing has attained more than 100 of these perfect ratings.

Founded in 1979, North American Roofing Services was built on a foundation of integrity, hard work and committed team members. The tradition continues today as North American installs and services all major types of commercial and industrial roofing systems for companies throughout the United States.

Carlisle SynTec Incorporated, with more than 2,400 authorized applicators, recognizes Centurion award recipients as a most elite group of roofing contractors.

Carlisle SynTec Incorporated has been a leading manufacturer of single-ply roofing systems and products for more than four decades.
