LEAK & REPAIR SERVICES

Help is just a phone call away.

Even the best roof can fall victim to severe weather, fallen trees, vandals and old age. A relatively small leak can interrupt operations, slow workflow and result in equipment, structural, and inventory damage. A larger leak can be financially disastrous.

We offer:

- Swift mobilization of skilled repair teams to minimize water damage and save you money.
- Fully equipped teams that will repair problems without interrupting your day-to-day business.
- 24/7/365 response.
- iPad-enabled roof technicians.
- All documentation for filing insurance claims.
- One-year workmanship warranties.

ELITE STATUS WITH MANUFACTURERS

- Johns Manville – Pinnacle Council
- Carlisle – ESP
- GAF – President’s Club
- Firestone – Master Contractor
- Firestone Inner Circle of Quality
- Sika Sarnafil
- FiberTite – Gold Level

INDUSTRY ASSOCIATIONS

- National Roofing Contractors Association (NRCA)
- Roofing Consultants Institute (RCI)
- BOMA National Member
- Southeastern Warehouse Association
- IFMA Central Florida
- PRSM, ICSC, IARW, ASHE, NAIOP

HELLO, CENTRAL FLORIDA. WE’RE NORTH AMERICAN ROOFING.

North American Roofing has been a pioneer in the single-ply commercial roofing industry since 1979. Employee-owned and dedicated to our customers, we’ve installed and serviced more than a billion square feet of commercial roofing on more than 20,000 facilities in our 35+-year history.

WHAT WE DO

North American Roofing specializes in installing, replacing, and servicing commercial low-slope roofing systems in the Central Florida area.

- New Roof Construction
- Roof Replacements/Installations
- Roof Restorations
- Preventative Maintenance
- Emergency Disaster Response
- Roof System Inspections
- Roof Asset Management
- Leak & Minor Repair Services
- Major Roof Alteration Projects
- Solar Energy Systems
- Rooftop Snow Removal
- Custom Roof Edge Metal

SYSTEMS WE INSTALL AND SERVICE

-  Single-Plies (TPO, PVC, EPDM)
-  Metal Roofs
-  Modified/Built-Up
-  “Cool” Roof Systems
-  Elastomeric Coatings
-  Vegetative/Garden Roofs
-  Rooftop & Ground-Mounted Solar
